1. Despite the risks associated with the Ukraine conflict, we instruct Gebrüder Weiss to carry out the transport ordered, being aware that the transport passes over the territory of Ukraine and/or the Russian Federation and/or Belarus resp. passes through the airspace or territorial waters of Ukraine and/or the Russian Federation and/or Belarus and being aware that special risks are associated with this. We expressly indemnify Gebrüder Weiss against any liability in connection with the performance of the transport, insofar as damage (in particular damage, loss, seizure and/or delay of the goods) occurs due to the special circumstances of the Ukraine conflict. This declaration of indemnification also applies to the costs of legal prosecution/legal defence associated with such damage and any consequential costs. The indemnification obligation shall also apply in full if the consignee asserts claims against Gebrüder Weiss.
2. We are fully aware of the existing sanctions against the Russian Federation/Belarus and confirm that these sanction regulations are neither violated by the goods nor by companies or individuals associated with this shipment. Furthermore, we confirm that the goods are not intended for a military end-use and are not classified as dual-use products.
3. Additional costs may arise due to a changed transport procedure as a result of the Ukraine conflict (among others change of route etc.). We undertake to reimburse Gebrüder Weiss immediately upon first request and provision of proof for any additional costs/expenses/damages in connection with the execution of the transport in accordance with our instructions. This does not apply to personal injury and/or damage to the means of transport used.
4. The provisions of the present indemnity declaration shall apply in addition to the business terms and conditions on which the contract of carriage is based and shall only take effect to the extent that they are not contrary to the mandatory provisions of international conventions or mandatory provisions of national law.
