The current versions of the “Bulgarian National Forwarders Association’s standard trading conditions “ (NSBS’ STC) and/or the “Bulgarian National Forwarders Association’s standard warehousing conditions” (NSBS’ SWC) as are available at www.nsbs.bg shall apply unless there is a per se conflict with any statutory provisions or international conventions (e.g. CMR, Montreal Convention, Warsaw Convention, CIM, Hague Rules, etc.).

Due to Art 94 we are liable for damage, caused in performance of this agreement only in cases of gross negligence or willful intent.

In cases of gross negligence our liability will be limited to BGN 20,000.00 of the consignment.

We are entitled to have a domestic or foreign partner company execute any of the orders placed with us. To the extent and insofar as we should be liable for any of their services towards our customer, our liability towards our customer is limited to the liability of the partner company in question towards us.

Any general terms and conditions used by the customer will not be accepted and shall therefore not be deemed to have been agreed upon, even to the extent such do not contradict our general terms and conditions. Verbal collateral agreements are ineffective.

Our duties resulting from this contractual relationship shall at any time be subject to the adherence to and compliance with national and international statutory provisions and/or mandatory requirements (in particular compliance with European and U.S. embargo measures). In case of a conflict between the contractual provisions and the statutory provisions and/or mandatory requirements, the statutory provisions and/or mandatory requirements shall prevail, even in cases of doubt. Without prejudice to our rights under these terms and conditions, responsibility for compliance with foreign trade legislations (prohibitions and limitations) lies with the customer. We shall not be under an obligation to check that such legislations are complied with and responsibility to make us aware of any limitation or prohibition with respect to the goods to be shipped lies with the customer, who will inform us timely and in writing. The customer shall also be obliged to guarantee the safety of the supply chain to us.

A separate order is required for the transfer of dangerous goods pursuant to ADR/RID/IMCO/DGR and so on, which must be accepted by us. Dangerous goods must be packed and marked in such way that they comply with the statutory provisions and international conventions with respect to carriage, handling and storage and be accompanied by the required set of papers. Hazardous goods, in particular goods of ADR classes 1 and 7, may not be handed to us.

The following goods shall in particular be excluded from acceptance for transport and/or for storage: precious metals (uncoined, coined or processed in any other way), jewelry, gemstones, banknotes, securities of any type, documents or deeds, temperature-controlled pharmaceuticals, arms and munition, livestock as well as substances the storage of which is subject to special legal provisions (e.g.. substances hazardous to water).

Returns of packaging within the meaning of the packaging ordinance as well as recovery and/or exchange of pallets, pallet cages, etc. will only be accepted if such have been specifically agreed upon in writing.

In case of the provision of a truck or a container transport, demurrage shall be invoiced per hour or part thereof in excess of the two hours granted for both loading and unloading.

Invoices shall be payable immediately without any deduction. Cash on delivery is limited to a maximum amount of EUR 500.— and is subject to national and international restrictions. All of our offers shall be non-binding and subject to confirmation. Moreover, we reserve the right to change air and sea freight rates in accordance with the respective freight forwarder's current tariffs at any time without prior notice.

Upon your express written request, we will take out transport insurances and insurances for goods in stock against risks such as fire and damages from burglary and storm. We recommend you to take out a transport insurance for goods worth more than EUR 10.— per kg, for sensitive goods (i.e. fragile or theft-prone goods) as well as for cross-border transports. Possible insurance coverage must not be provided for if sanctions of the United Nations and/or the European Union and/or other relevant national economic or legal provisions are an obstacle to shipment.

Our offers must be kept confidential and may not be disclosed to a third party.

The laws of Bulgaria, excluding international private law principles, shall apply. Sofia (Bulgaria) and the location of our commissioned branch subsidiary shall be agreed as place of jurisdiction.

We reserve the right to assert a claim against the customer before any other legally permissible court.
