This is to inform you that we, Gebrüder Weiss Gesellschaft MBH, Bundesstrasse 110, 6923 Lauterach, as the controller, are processing your personal data, which we have collected upon your placing the order and/or in the course of the acquisition process/counseling interview.

Your data will be processed for the purpose of providing freight forwarding and logistics services, of maintaining the customer relationship (e.g. through newsletters), and for the purpose of performing commercial investigations (analysis/statistics) within the scope of legitimate interest (efficient business management; internal administrative purposes, including the processing of personal data of customers or employees) (Art. 6 (1) (a), (b) and (f) GDPR), if applicable.

For the above-mentioned purposes, we will forward your data to subcontractors (freight forwarders, shipping lines, airlines, railway companies, forwarding agents, warehouse keepers, logistics service providers; agents, customs brokers etc.) as well as to marketing companies, if applicable, group companies (see www.gw-world.com) and IT service providers.

For the purpose of fulfilling the contract it may be necessary to transfer data to a third country. Gebrüder Weiss would like to point out that according to Schrems II case C-3111/18 the high level of protection of personal data cannot always be guaranteed in such a transfer. We assure you that all external service providers are checked to the best of our knowledge and can confirm that they meet the high quality requirements of GW.

We will store your personal data for the period of our contractual relationship and will afterwards reduce the amount of data stored in order to comply with the respective legal provisions or statutory storage periods.

In relation to us, you have a right of access to the respective personal data as well as to rectification, erasure, restriction of processing, the right to object against processing, and to data portability. You may revoke any consent given to us at any time without the lawfulness of the consent-based data processing effected until such revocation being affected thereby. Moreover, you may lodge a complaint due to processing of your data with the Data Protection Authority.

The processing of your data is required in connection with the contract concluded with us; without the required data being made available to us, it will not be possible for us to provide the freight forwarding and logistics services and to maintain our customer relationship.
